

This certifies that

Willian Albarello

has officially adopted one pixel from

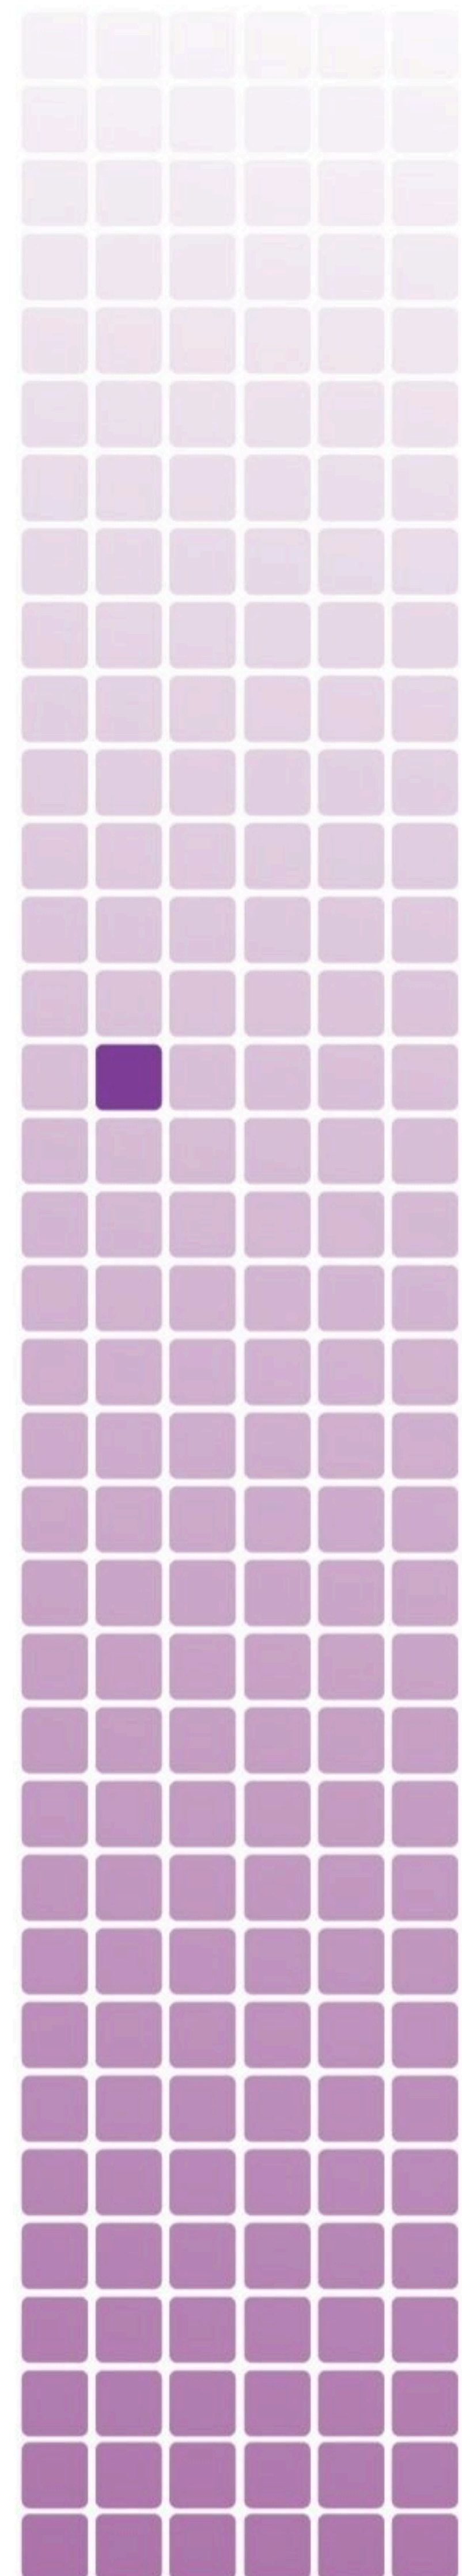

NANCY GRACE ROMAN

Space Telescope's first images.

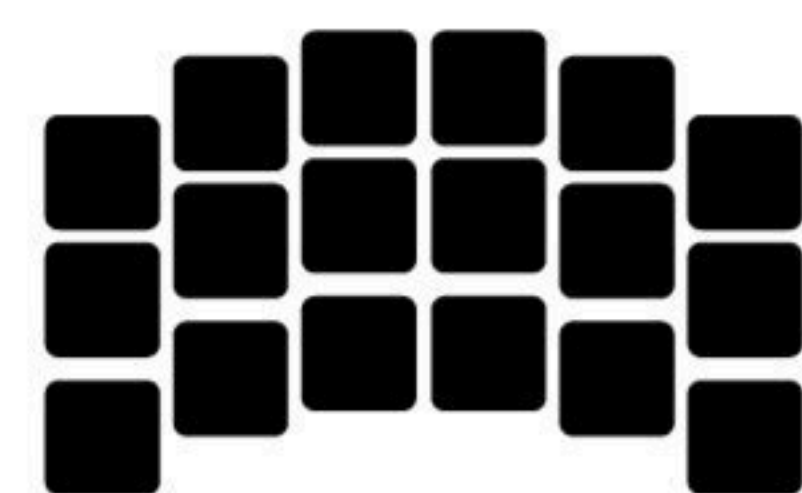

Though small, this pixel carries its share of a much larger picture — a fragment of light captured by NASA and now entrusted to a caring steward. Wherever it sits in the frame, it helps complete the view.

YOUR UNIQUE PIXEL IDENTIFICATION NUMBER:

00634488

NANCY GRACE
ROMAN

SPACE TELESCOPE
